
Dresden Center for Computational Materials Science (DCMS)

CERTIFICATE

Max Frei

successfully participated in the

International Summer School

Materials 4.0 - *Deep Materials: Perspectives on data-driven materials research*
(10.09. - 14.09.2018)

organized by the

Dresden Center for Computational Materials Science

and was selected for a scholarship covering
travel support, accommodation and participation fees.

Dresden, 14.09.2018

Prof. Dr. Gianauelio Cuniberti
Scientific Organizer

Prof. Dr. Sibylle Gemming
Scientific Organizer

This summer school is part of TU Dresden's Institutional Strategy, funded by the Excellence Initiative of the German Federal and State Governments. The school receives additional funding through the Helmholtz Excellence Network DCM-MatDNA.
